**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need to allow Sonic access to copper cable and prevent The blood sucking ATT and its like (Comcast, etc) from plotting against these little guys who want access and can keep prices lower. In other countries including Europe and middle east, people pay a fraction of what we pay for internet and phone. \$10.00 a month for an entire family not \$200.00 a month! I why cant we be a bit less corrupt?
